Information note about tours:

With the exception of the Yellowquill tour, participants are responsible for their own transportation to the tour site unless indicated otherwise. Conference participants are required to register for these tours in advance by filling out a general conference registrant form available on the conference website:

www.usask.ca/casts2003

Please indicate which tour(s) are to be attended, i.e. tour 1, tour 2, tour 3, and/or tour 4.

The form should be sent by email or faxed to the conference coordinator as follows:
