

WorkCentre 5645/5655 Online Support Solution Find the Serial Number

1. Press the [Machine Status] button on the Control Panel. The Machine Status screen will be displayed.

2. Select the [Machine Information] tab on the Touch Screen.
3. Select the [Machine Details] button. The serial number will be displayed.

NOTE: The serial number can also be found on a plate on the machine, behind the Front Door.
