Solution Replace the Waste Toner (Dry Ink) Bottle

NOTE: Waste Toner is non-toxic, so is safe to dispose of the bottle as normal office waste. Make sure that the cap is securely fastened to avoid spillage.

1. Open the Access Door on the top, left side of the machine, toward the rear.

2. Pull the colored cap from the top of the bottle and screw the cap onto the opening of the bottle.

3. Pull the used Waste Toner Bottle out of the machine and dispose of it according to the instructions contained in the box.
4. Remove the new Waste Toner Bottle from its box.
5. Install the new bottle into the machine. Make sure that the bottle is positioned correctly in the machine.
6. Close the Access Door.
