Feedback Form for Mentors

The coordinators of the Pre-Health Professions High School Club would appreciate your feedback on the following 3 questions about the mentorship experience. Your feedback will be used to assess the format of the mentorship and to determine the features that should remain the same and those that should be reviewed and revised.

What were 2-3 positive features of the mentorship experience from your perspective?

What are 2-3 features that should be changed or revised to improve the mentorship experience?

Would you be willing to be a mentor again to a high school student involved in the Pre-Health Professions Club? Why or why not?

Thank you for completing this feedback sheet. Please fax this form when completed to Christel Gee (306) 766-4955 or email at prehealth.club@usask.ca.
