

Faculty Position
College of Dentistry

The College of Dentistry invites applications from qualified individuals for a tenure-track position at the rank of Assistant/Associate Professor in Prosthodontics.

The successful candidate will be required to deliver didactic, pre-clinical and clinical teaching; supervise student research projects; initiate, lead and participate in research activities; compete successfully for external funding to support this research program; and undertake relevant administrative activities including meetings and committee work.

We seek candidates who have postgraduate specialty training in prosthodontics at the Masters or PhD level; an interest and ability to engage in scholarly activities as evidenced by established or developing research initiatives; a strong or emerging research program; demonstrated effective classroom teaching skills and mentorship; clinical experience in prosthodontics; effective interpersonal and communication skills. Preference will be given to those who have been awarded a Fellowship diploma by the Royal College of Dentists of Canada or certification by an American Dental Association-Recognized Specialty Certifying Board.

Candidates must be licensed or eligible for licensure by the College of Dental Surgeons of Saskatchewan (CDSS) and are encouraged to familiarize themselves with Saskatchewan licensing requirements:

<http://www.saskdentists.com/saskatchewan-licensing-requirements.html>. Candidates who are graduates from non-accredited dental training programs must achieve National Dental Examining Board of Canada certification (<http://www.ndeb.ca/>) and/or Royal College of Dentists of Canada Fellowship (<http://www.rcdc.ca/home.cfm>) to achieve tenure. All candidates are encouraged to familiarize themselves with these processes. Additional information can be found at the Canadian Information Center for International Credentials: <http://www.cicic.ca/professions/3113en.asp>

We will also consider outstanding applicants for Limited Term and Visiting appointments.

The University of Saskatchewan offers a highly competitive compensation and benefits package. Salary and rank will be commensurate with qualifications and experience.

Please submit a letter of application; curriculum vitae; 3 letters of reference including the contact information for the referees; any supporting documents, including teaching evaluations and samples of published work; proof of education including undergraduate and graduate transcripts to:
