TENURE TRACK FACULTY POSITION

The College of Law at the University of Saskatchewan seeks candidates for a tenure-track position in Clinical beginning 1 July 2010. We anticipate that these appointments will be at the rank of Assistant or Associate Professor.

Candidates will have completed, or be in the process of completing, a Master's or Doctoral degree in law or equivalent graduate qualification, have demonstrated promise in legal scholarship and have a commitment to clinical legal education. All qualified candidates are encouraged to apply, but Canadians and permanent residents will be given priority.

The College of Law has recently undergone a period of renewal and expansion. Its full-time faculty complement is 29, and two endowed visiting chairs bring distinguished scholars from around the world. In addition, the College is affiliated with the Native Law Centre, and offers an LL.M. degree which attracts promising young researchers. The College of Law and the University have recently partnered with community organizations to establish Community Legal Aid Services of Saskatoon's Inner City (CLASSIC) a poverty law clinic with staff lawyers and a substantial and growing Clinical Law program for students.
