UNIVERSITY OF SASKATCHEWAN
DEPARTMENT OF MUSIC

Dear Business Owner: The University of Saskatchewan Wind Orchestra, under the direction of Dr. Darrin Oehlerking, is comprised of approximately forty-five students from various colleges on campus. The Orchestra offers students the opportunity to grow as musicians and participate in a professional ensemble as part of their university careers. Through concerts, recording sessions, an annual tour, and other activities, the Orchestra promotes the U of S Music Department from the local to international stage. This year, the destination for our annual tour is Southeast Saskatchewan and Grand Forks, ND.

As a non-profit organization, the Wind Orchestra has limited funds to provide students the opportunity to participate in all of our various activities. To raise funds for tour, we will be hosting a formal dinner and dance with a silent auction on October 15, 2011. We kindly ask your business to consider donating items for our silent auction, and we will gladly display your business logo at the auction table as well as in our final Winter Concert program.

Thank you in advance for supporting the University of Saskatchewan Wind Orchestra!

Jan Michael Bourgeois
Wind Orchestra President
