Registration Details

1. You are required to take the NURS 993 as the capstone to your program. This course is to be done at the end of your program in the term prior to your graduation. The CRNs are: Term 2 – 27771, Term 3 - 40871. It is not normally offered in Term 1.
2. Taking NURS 892 and your graduate level STATS course concurrently will ensure greater success. A list of courses accepted for the STATS requirement is available from grad.nursing@usask.ca.
3. Requirements for the degree can be found at <http://www.usask.ca/nursing/students/master/course.php>.
