- MCAT Requirement.
  - All out-of-province applicants must complete the Medical College Admission Test (MCAT) prior to the application deadline of October 1, 2015.
  - For application fall of 2015 for entry fall of 2016, MCAT scores must be obtained in one sitting prior to the application deadline. The earliest accepted scores for application 2015 for entry fall of 2016 are from 2012.

  - Graduate level courses and degrees will be considered if it works to the applicant’s advantage.

**Selection Criteria:**

- **Weighting**
  - The weighting of academic performance to personal qualities (College of Medicine Multiple Mini Interview - MMI) for Saskatchewan residents is 20% MCAT, 30% UAA, and 50% MMI.
  - Out-of-province applicants invited for an interview will be ranked for admission based 100% on the applicant's performance in the MMI.

  - Applicants who meet the same criteria based on residency in Yukon, Northwest, or Nunavut territory can apply as a Saskatchewan resident.
  - An exception to the three-year ruling may be made for members of the Armed Forces of Canada or RCMP, or for an applicant whose spouse, parent, or guardian is a member of the Armed Forces of Canada or RCMP, who has moved to Saskatchewan due to being reassigned. In these cases, the applicant must have resided in Saskatchewan for at least 12 consecutive months directly preceding September 1 of the year of application and obtained written approval to waive the 3-year requirement.
  - Individuals who have been in three years of full time study at the University of Saskatchewan or University of Regina directly preceding the date of entry being sought are considered to be Saskatchewan residents.

  - 21 credit units of elective courses
- Minimum cumulative average of 75% in all university courses

Selection Criteria:

Up to 78 students are admitted to the first year class. Selection is based on a number of factors including: mental aptitude, academic performance, motivation, maturity, experience with animals, leadership qualities, social awareness, deportment, verbal facility, and ability to communicate, and an understanding and knowledge of the veterinary profession. These factors are assessed through the following criteria.

1. Academic Record

   At least two years of university courses are required to complete the prerequisite course requirements. Applicants must have a minimum cumulative average of 75% to be considered.

2. Interview

   Applicants are selected for interview based primarily on their academic performance.

3. References

   Two references are required: one must be a veterinarian, while the other must have an animal-related or agricultural background.

4. Selection of Students

   Students are ranked for admission based on a weighted formula: 60:40 academic vs. non-academic
Categories of Applicants:

As a regional veterinary college, the program accepts applicants who are residents of the four western provinces and the northern territories. The allotment system is:

- British Columbia: 20
- Alberta: 20
- Saskatchewan: 20
- Manitoba: 15
- Northern territories (Yukon, Nunavut and Northwest Territories): 1
- Education Equity Program: 2

1. Saskatchewan, Alberta, British Columbia and Manitoba Residents

For an applicant residing with his or her parents, the residence of the parents shall determine the residence of the applicant.

For an applicant not residing with his or her parents, residence is established by the applicant’s residing in the province in question for at least one year (12 consecutive months) without attending post-secondary education prior to the WCVM’s December 1 application deadline.

2. Yukon, Nunavut, and Northwest Territories Resident

Because Yukon, Nunavut, and Northwest Territories are not formal signatories of the Interprovincial funding contract, they apply their own rules for applicants claiming to be residents of these areas.

3. Aboriginal Equity Access Program

Two seats are available for Aboriginal students under this category.

Applicants must be residents of the four western Canadian provinces or the northern territories. The WCVM requires proof of Aboriginal ancestry that must be provided at the time of application.
