I. CONSTITUTIONAL POWERS AND DUTIES OF COUNCIL

The University of Saskatchewan Act, 1995, S.S. 1995, c. U-6.1 prescribes the constitution, powers and duties of Council. Section 60 of the Act provides that Council is responsible for “overseeing and directing the university’s academic affairs.” Section 61 provides a list of specific matters that fall within the jurisdiction of Council.¹ These include the following: (the list is not exhaustive)

- grant academic degrees, diplomas and certificates of proficiency;
- grant scholarships, prizes, fellowships, bursaries and exhibitions;
- authorize the Board on academic grounds to establish or disestablish a college, school, department, chair or institute;
- authorize the Board on academic grounds to provide for or to dissolve affiliation or federation with another educational institution;
- prescribe curricula, programs of instruction and courses of study;
- prescribe methods and rules for evaluating student performance;
- discipline students for academic dishonesty;
- prescribing academic and other qualifications for admission;
- hear appeals by students or former students concerning academic decisions affecting them;
- prescribe the number of students to be admitted to a college or program;
- review library policies;
- review the physical and budgetary plans for the university and make recommendations respecting those matters to the President or the Board;
- exercise power that the Board or Senate may delegate to it;
- appoint members to committees composed of members of Council and any or all of the Board, the Senate and the General Academic Assembly;
- make bylaws governing election of members;
- make bylaws respecting any matter over which it has jurisdiction;
- make recommendations to the President, the Board or Senate respecting any matter that Council considers to be in the interests of the University;
- do anything that it considers necessary, incidental or conducive to the exercise of its powers to promote the best interests of the University or to carry out the purposes of the Act.

¹ The exercise of some of these powers is subject to review by the General Academic Assembly and, in some cases, involves the Board of Governors or the Senate.
II. ELECTION OF FACULTY MEMBERS TO COUNCIL

1. The University Secretary will oversee the call for nominations and election of members of Council as provided in section 57(1) of The University of Saskatchewan Act, 1995.

2. The Act defines a faculty member as “a person who is employed on a full-time basis by the university or an affiliated or federated college and who serves as a professor, associate professor, assistant professor, lecturer, full-time special lecturer, full-time instructor, or librarian.

3. A faculty member may choose to stand for election under one of the following sections:

   (a) Section 53(2)(b) [53(2)(d) - in the case of Librarian
   “one faculty member representing each college or affiliated and federated college who is a member of the college and who has been elected by the members of the college;”

   (b) Section 53(2)(c) [53(2)(e) - in the case of Librarian
   “one representative, in addition to the member mentioned in clause (b), representing each college or affiliated and federated college who is either:

       (i) the dean of the college, or a member of the college, who has been elected by the members of the college; or

       (ii) if there is no election, the dean of the college;”

   (c) Section 53(2)(i)
   “54 faculty members who have been elected by faculty members.”

4. Nominations will be made using the form provided by the Secretary. A nomination will be endorsed by the nominee and will confirm her or his eligibility and willingness to stand for election.

5. Once the deadline for nominations has passed, the Secretary will conduct elections by making ballots available to all eligible voters for positions referenced in sections 53(2)b, c, d, e, and i.

6. If there is a nomination or nominations under section 53(2)(c), or 53(2)(e), the dean of the college or Dean, University Library, as the case may be, will be so informed and asked if he or she wishes to stand for election under this section.

7. In the event that insufficient nominations are received for faculty members at large under Section 53(2)(i) to fill the vacant positions, then those nominees whose nominations were received by the deadline will be considered elected by acclamation, and a second call for nominations will be sent.
8. In the event that insufficient nominations are received to fill the vacant positions for faculty members at large under Section 53(2)(i) following a second call for nominations, the Nominations Committee of Council will be asked to nominate faculty members to fill the vacant positions for a one-year term.

9. In the event that no nominations are received by the deadline for a College representative under Section 53(2)(b) or for a librarian under Section 53(2)(d), then a second call for nominations will be sent.

10. If after two calls for nominations no candidate comes forward for a College representative under Section 53(2)(b) or for a librarian under Section 53(2)(d), then the Dean or the College Committee charged with nominations will be asked to ensure that a candidate is nominated. The Secretary will run the election in the event that more than one nominee comes forward for a position from that process.

11. In the event that two or more nominees with the most votes receive the same number of votes, the Secretary will select the elected member from among those nominees by lot.

12. Candidates on the voting list who receive the greatest number of votes are elected to Council effective July 1. Should candidates so elected decline or otherwise be unable to accept a position on Council, such positions shall continue to be filled by those unelected candidates that received the greatest number of votes.

13. A vacancy on Council for a college representative under Section 53 (2) (b) or (c), a librarian under Section 53 (2) (d) or (3) or a faculty member under Section 53 (2) (i) shall be filled by an election held within 90 days of the vacancy, if the vacancy occurs within 27 months of that member being elected. A vacancy arising after that time shall be filled at the next annual election.

(a) The quorum for regular and special meetings will be 40%.

2. The Duties of Chairperson and Vice-Chairperson

(a) The duties of the Chairperson will be carried out by the Vice-Chairperson when, for any reason, the Chairperson is unable to discharge these duties. When neither the Chairperson nor the Vice-Chairperson is able to discharge the duties of the Chairperson, the Provost and Vice-president Academic will act as Chairperson.

(b) The Chairperson will preside over all meetings of Council. The Chairperson’s duties are to preserve order and decorum and, subject to appeal, to decide all questions of order and other questions as provided in these bylaws.
(c) The Chairperson will prepare a draft agenda for each meeting of Council and will present it for approval at the meeting.

3. Election of the Chairperson and Vice-Chairperson

(b) Thirty days prior to the deadline for receipt of nominations, the Secretary will inform all members of Council that nominations for the position of Chairperson are being requested and will provide a nomination form for this purpose.

(c) A Council member is nominated for the position of Chairperson when the nomination form referred to in (b) containing the consent of the nominee is endorsed by three members of the Council and returned to the Secretary on or before the date specified by the Secretary. The nomination form will contain a brief description of the nominee stating the nominee’s qualifications for the position of Chairperson of the Council.

(d) Ten days prior to the date of the election, the Secretary will provide to all members of the Council a ballot setting out the names of the nominees and the brief description of each nominee referred to in (c). Information accompanying the ballot will indicate that the ballot is to be returned to the Secretary on or before the specified date.

(e) All ballots received by the Secretary on or before the date referred to in (d) will be reported by the Secretary to the next meeting of the Council. The Chairperson of the Nominations Committee will determine whether an irregular ballot will be counted and the effect of any other election irregularities. The Chairperson’s decision will be final.

(f) In the event that the two or more nominees with the most votes receive the same number of votes, the Chairperson of the Nominations Committee will select the Chairperson by lot.

(g) In the event that no nominations are received by the deadline for nominations for Chair, a second call for nominations will be sent. If the second call for nominations does not elicit a nomination, then the
Nominations Committee will be asked to nominate a member of Council to serve as Chair for a one-year term, and a call for nominations will go out the following year.

(h) That the Nominations Committee will nominate a member of Council to serve as Vice-Chairperson.

(i) That the Chairperson and Vice-Chairperson will normally hold office for a period of 2 years unless removed by a vote of 2/3 of the members of the Council.

(e) A vacancy occurs on Council when:

   (i) a member resigns from Council or ceases to be an employee of the University, or

   (ii) a member is unavailable to attend meetings of Council for a period of greater than six months during his or her term.

(f) All Council members, other than ex officio members, are also members of the student academic hearing and appeals committee, from which representative for student disciplinary and appeal boards are selected. Members may decline to serve on a board when asked.

5. Council Meetings

(a) Council meetings will be open except when Council decides to have them closed.

(b) Council will meet monthly during the academic term (September - June). The Chairperson can call a meeting during the July to August period.

(c) Attendees at Council meetings are expected to refrain from unauthorized audio or video recording of the proceedings and to respect the rulings of the Chairperson.

(d) Special meetings of Council can be called by the Chairperson or by petition of 20% of the members of Council.
(e) A motion to amend the bylaws will be preceded by a notice of motion presented in writing to the members not less than 30 days prior to the date of the meeting at which the motion is considered.

(f) Except as provided in bylaws (e) and (h), a motion will be preceded by a notice of motion presented in writing to the members of Council not less than 10 days prior to the date of the meeting at which the motion is to be considered. This bylaw applies only to a motion dealing with a substantive matter which requires consideration by members of Council prior to the meeting at which the motion is presented. Whether or not a motion falls within this bylaw will be determined by the Chairperson.

(g) The requirement of bylaw (f) may be suspended upon vote of two-thirds of the members present and voting at a meeting.

(h) A recommendation to Council contained in a committee report is deemed to be a notice of motion if the report containing the recommendation is included with the agenda of the meeting at which the report is considered.

(i) In the event of an emergency situation as declared jointly by the president and chair of Council or their respective delegates, if Council is unable to meet or attain quorum, Council may decide urgent matters by alternative means. Procedures governing such decisions are the responsibility of the Governance Committee.

(j) The meetings of the Council and of committees of Council will be conducted in accordance with the rules of order contained in *Procedures for Meetings and Organizations, Third Edition by Kerr and King*.

(k) Unless the Council decides otherwise, the secretary of Council meetings shall be the University Secretary, or a member of the University Secretary’s office as designated by the University Secretary.

IV. THE COMMITTEES OF COUNCIL

1. Creation and Composition of Council Committees

(a) Council has the statutory power to establish committees to facilitate its work. There is no requirement that these committees be composed entirely of Council members. Council is also empowered to appoint members of joint committees involving the Board, the Senate or the General Academic Assembly.

(b) The committees specified in Part Two of these bylaws are created as standing committees.

(c) The Governance Committee will nominate the members and chairperson of the Nominations Committee.

2 The only statutory restriction on the committee structure is prescribed by section 61(2) of the Act which requires that a committee established to discipline students or hear appeals with respect to student discipline must contain members of Council who are students.
(d) The Nominations Committee will nominate members, including the chairpersons, of Council committees. Except where the chair is required to be a member of Council, the Nominations Committee shall first consider Council members for the position of Chair and if a suitable nominee cannot be obtained, then the Chair will be selected from the General Academic Assembly members.

(e) The Nominations Committee will present its nominations to the Council at the May meeting and otherwise as required when vacancies occur.

It is the responsibility of the Nominations Committee of Council to present a slate of candidates for all committee positions except the Nominations Committee itself. The Committee will take into consideration the abilities and experience of the proposed nominees and the balance of representation from the various sectors of the campus. It will review the names of potential nominees submitted by Faculty, Department Heads and Deans and if necessary canvas additional individuals in order to develop an able, representative slate.

The Nominations Committee will present the slate to Council with sufficient names to fill the available positions. The Chair of Council will call for any further nominations from the floor. If there are none, the slate will be elected. If there are nominations from the floor there will be an election held within two weeks. The election will be held only for those committees which have received nominations exceeding the available positions. The ballot will be prepared and distributed by the University Secretary. The ballots will include the names of the slate presented by the Nominations Committee and the nominations from the floor indicating the Council status of each. It will indicate the positions to be filled and the eligibility requirements for the positions. Voters will indicate choices up to the number of positions available. Eligible candidates with the greatest number of votes will be declared elected.

(f) The President and the Chairperson of Council are ex officio, non-voting members of all Council committees. They are not counted when determining the quorum of a committee meeting.

(g) An ex officio member may designate an individual to serve in her or his place on a committee of Council with the same powers as the designator. Such designations shall last for a twelve month period of time subject to renewal. In the event that the individual is unable to complete the full term, another individual can be designated in his or her place. To initiate the designation, the ex officio member will inform the Chairperson of Council and the Chairperson of the committee involved. During the period of designation, the ex officio member who initiated the designation may still attend the Committee meeting from time to time with a voice but no vote.

(h) The U.S.S.U. and G.S.A. will name their appointees to Council committees for the year from May 1 to April 30.

(i) Resource personnel and offices providing administrative support are non-voting members of the committees and are not counted when determining the quorum of a committee meeting.
(j) Terms of office for Council committee members will begin July 1 unless otherwise provided by the Nominations Committee, except for student committee members whose terms of office will begin May 1.

(k) The term of office of a faculty member of a standing committee is three consecutive years, renewable once for up to an additional three years, for a maximum of six consecutive years of service. Once the maximum term of service has been reached, one year must lapse prior to the commencement of a new term on that same committee. The term of office of the Chairperson will be one year, renewable annually for up to two additional one-year terms. Once the Chairperson has served for a maximum of three consecutive years of service, one year must lapse before the member may serve as Chairperson of that same committee. The renewal of the Chairperson is subject to the six consecutive years of service a faculty member may serve on a standing committee. For greater certainty, the maximum six years of consecutive service limitation does not apply to ex-officio members of a committee.

(l) The terms of student and sessional lecturer members will be one year.

(m) When a committee member is appointed as a member of Council, the term of such person will be completed even if the person ceases to be a member of Council provided the member is and remains a faculty member.

(n) In the event of a vacancy on a Council committee, the vacancy will be filled so that the balance between Council and General Academic Assembly members on the committee as specified in Part Two of the bylaw is maintained.

2. Committee Responsibilities

(a) The responsibilities of the standing committees are set out in Part Two of this document.

(b) All standing committees will meet and report to Council at least once each academic year.

(c) Standing committees may create subcommittees, including subcommittees composed of persons who are not members of Council.

(d) The quorum for standing committee meetings is a majority of the voting members. The quorum for the Nominations Committee is two-thirds of the voting members.

(e) Unless a motion of Council specifically provides otherwise, all recommendations of committees will be brought to Council for approval or change. Generally, committee recommendations are presented to Council in the form of reports.

(f) Council has statutory power to make recommendations to the President, the Board or the Senate respecting matters that the Council considers to be in the interests of the University. A matter may be referred to a Council committee by Council to develop recommendations to be presented to the President, the Board or the Senate.
(g) The constitutional structure of the University provides for shared jurisdiction over matters. Consequently, it may be necessary for the President, acting as the chief administrator of the University, or the Board to seek the advice or assistance of a Council committee with respect to a particular matter. The power of a committee to provide advice or assistance to the President or Board is specified in Part Two of these Bylaws or will be given by Council. The advice and assistance will not contradict or conflict with policies of Council.

(h) A committee that provides advice and assistance pursuant to clause (f) will report to Council the general nature of the advice. However, the Committee need not report to Council on matters the disclosure of which would be inimical to the interests of the University. These matters will be disclosed to the Governance Committee at the request of the Chairperson of Council.

V. CONFLICT OF INTEREST

1. Council Proceedings

(a) It is necessary to distinguish between the roles of the “representative” members of the Council, on the one hand, and the “at large” and ex officio members, on the other, with respect to their obligations to bring pertinent information to the Council or to committees of the Council and to report back to their constituents. However, there is no distinction with respect to the exercise of judgment and decision-making in Council meetings and in deliberations of a committee of the Council. Members of the Council and members of committees of the Council will have as their principal concern the welfare of the University community. They will exercise independent judgment and may not act as agents of any person or organization.

(b) There are no restrictions on the rights of a Council member to participate in debate and to vote on any matter that comes before the Council. However, a Council member who has a conflict of interest with respect to a matter that comes before the Council will disclose the conflict when speaking on the matter in Council proceedings.

2. Committees of Council

(a) A member of a committee of the Council will conduct herself or himself so as to avoid conflict of interest or the appearance of conflict of interest.

(b) A member of a committee will disclose and identify a conflict of interest or perceived conflict of interest affecting that member.

(c) A member of a committee will abstain from voting in committee proceedings on matters on which he or she has a conflict of interest. When appropriate, the member will withdraw from all committee deliberations with respect to the matter.

(d) The chairperson or a member of a committee will be entitled to raise the question whether another member has a conflict of interest or perceived conflict of interest on a matter before the committee.
(e) The chairperson or a member of a committee is entitled to ask another member who has or is perceived to have a conflict of interest to withdraw from the deliberations of the committee or to refrain from voting on a matter before the committee.

(f) If a request referred to in paragraph (e) to withdraw from the deliberations of the committee or to refrain from voting on a matter before the committee is denied by the member to whom the request is directed, the fact that the request was made and was denied will be recorded in that portion of the committee’s report relating to the matter.

3. Conflict of Interest Defined

A conflict of interest exists for a member of Council or a member of a Council committee when, with respect to a matter being considered by Council or the committee:

(a) the decision being made is such that the member could not reasonably be expected to exercise independent judgment because of the effect the decision would or would be likely to have on the member or a person closely related or closely associated with the member; or

(b) as a result of occupying a position or holding an office in an organization, the person is legally obligated to subordinate the interests of the University to the interests of the organization when dealing with the matter.
