

An Advent Service of Lessons and Carols
Wednesday, December 6, 2017

Lutheran Theological Seminary,
Saskatoon

This service of Advent lessons and carols weaves together many of the service's traditional elements with the *O Antiphons* as suggested in *Sundays and Seasons* (Year B, 2018).

In Advent, we wait with great impatience for the celebration of the incarnation. As the days become ever-shorter, come and wait, come and listen to the scriptures' promise of a Saviour, and come and sing that promise.
