WHY GIVE?

The Millennium Study, by Rev. Dr. Ken Kuhn, published by the ELCIC, presents the following statistics:

- † ELCIC has 627 parishes served by 404 parish pastors
- † 398 active pastors will reach retirement age by 2015
- † In the next twenty years, the ELCIC estimates it will need between 542 and 602 new pastors
- † The two ELCIC seminaries graduate about 15 students for ordained ministry per year

OPTIMISTIC OUTLOOK

While the statistics seem grim, there is still hope! We can train and educate the large number of students required to fulfill these forecasted needs.

With the success of the Western Synods' "It's Your Call" program, LTS has experienced an increase in enrollment. To support these candidates, we need your help!

Please give today. After all, your church is worth the investment.
