

UNIVERSITY OF
SASKATCHEWAN

CANADA RESEARCH CHAIR (TIER I)

Environmental Health, Aboriginal Health, or Health Administration and Management

The University of Saskatchewan School of Public Health invites applications from outstanding scholars with a strong research profile for a Tier I Canada Research Chair (CRC) in one of the following fields - Environmental Health, Aboriginal Health, or Health Administration and Management.

The ideal candidate will have a PhD or equivalent qualification, be a nationally or internationally recognized scholar with a strong record of attracting competitive research funding, and have experience or interest in developing interdisciplinary research partnerships and approaches. Applications are welcome from strong candidates in all three of the following arenas: Environmental Health (preferred), but will also consider Aboriginal Health, or Health Administration and Management. The successful candidate will be appointed to a tenured or tenure-track position at the associate or full professor level. The chair will be awarded for a seven-year period and is renewable. Applications must be submitted by October 18, 2009. For more information about this position, visit www.usask.ca/sph.

To be considered for this opportunity, please send your CV, a statement of research interests, and the names of at least three references to:

Dr. Robert Buckingham, Executive Director, School of Public Health
University of Saskatchewan
107 Wiggins Road
Saskatoon, SK S7N 5E5
Canada

The University of Saskatchewan is committed to employment equity, welcomes diversity in the workplace, and encourages applications from all qualified individuals, including women, members of visible minorities, Aboriginal persons and persons with disabilities. All qualified candidates are encouraged to apply.
