

Dear Dr. Giesy,

I am very pleased to inform you that your article, "**Global Distribution of Perfluorooctane Sulfonate in Wildlife**", published in *Environmental Science & Technology* is being featured on the ACS Publications website [ [http://pubs.acs.org/journals/promo/most/highly\\_cited/index.html](http://pubs.acs.org/journals/promo/most/highly_cited/index.html) ] as a "*Highly Cited Paper*" as defined by Thomson Scientific (ISI) Essential Science Indicators.

**Giesy, J. P.** and K. Kannan. 2001. Global Distribution of Perfluorooctane Sulfonate and Related Perfluorinated Compounds in Wildlife. *Env. Sci. Technol.* 35:1339-1342.

*Highly Cited Papers* are Highly Cited articles in the top 1% of the most-cited papers during the last 10 years. Citations are counted from all sources, and are cumulated from the year of publication through the current year.

Congratulations on your article being recognized as a "*Highly Cited Paper*." I invite you to share this great news with your co-authors and colleagues.

I invite you also to find out more about ACS AuthorChoice at <http://pubs.acs.org/4authors> .

Sincerely Yours,
