

Get there on time

New shuttle linking the university campus to Innovation Place

A new shuttle service will operate as a pilot project from March 30 to June 25, 2010. The shuttle is provided for faculty, staff and graduate students but can also be used free of charge by anyone travelling between Innovation Place and the university campus.

For more information, contact Bryan Peppin at 966-4591 or bryan.peppin@usask.ca
