

Meeting Reflective Conversation Starters:

1. I find our lesson conferences most productive when we...
2. I think our lesson conferences would be even more productive if we...
3. I find our lesson conferences most comfortable when we...
4. Are we able to meet daily? With at least a weekly time to record in the PGG?
5. How do you prepare to have a professional development focus for each lesson with a feedback sheet as appropriate?
6. Thinking about recent classroom experiences, what is going well? What could use more attention? What might be the reasons and possible alternative approaches?
7. What would a desirable school look like to you? How might you be part of making that vision a reality?
